Pursuant to Chapter 123, Public Laws of 1972 as amended, the Board and the Association hereby agree that every employee of the Board covered by this Agreement shall have the right to freely organize, join and support the Association for the purpose of engaging in collective negotiations or to refrain from doing so. The Board and the Association agree that they shall not directly or indirectly discourage or deprive or coerce any Department Supervisor in the enjoyment of any rights conferred by Chapter 123 and that they shall not discriminate against any Department Supervisor by reason of his membership or nonmembership in the Association or his participation or non-participation in any activities of the Association.

B. Evaluation of Students.

The Department Supervisor during his responsibilities and duties as a teacher shall have the responsibility of determining grades and other evaluations of students within the guidelines of grading policies of the Fort Lee School District. No grade or evaluation will be changed without consultation with such Department Supervisor. No Department Supervisor shall be prevented from wearing reasonable pins or other reasonable identification of membership in the Association or its affiliates.

D. Statutory Savings.

Nothing contained herein shall be construed to deny or restrict to any Department Supervisor such rights as he may have under New Jersey School Laws or other applicable laws and regulations. C. Nothing contained herein shall be construed to deny or restrict the Board of its rights, responsibilities and authority under R.S. 18A, School Laws of New Jersey, or any other national, state, county, district or local laws or regulations as they pertain to education.

ARTICLE VI

GRIEVANCE PROCEDURE

A. Definitions.

1. The term "grievance" is a claim by a Department Supervisor of the Association based upon the interpretation, application, or violations of this Agreement, policies or administrative decisions, affecting terms and conditions of employment of a Department Supervisor or a group of Department Supervisors.

2. The term "grievance" and the procedure relative thereto shall not be deemed applicable in the following instances:

- a) The failure or refusal of the Board to renew a contract of a non-tenured employee.
- b) In matters where a method of review is prescribed by law, or by any rule, regulation or by law of the State Commissioner of Education or the State Board of Education.

3. The term "employee" shall mean any regularly employed individual covered in Article I, "Recognition".

4. The term "representative" shall include any organization, agency or person authorized or designated by any employee or any group of employees, or by the Board to act on its or their behalf and to represent them.

5. The term "immediate" superior shall mean the person to whom the aggrieved employee is directly responsible under the Table of Organization prevailing in this School District.

6. The term "party" means an aggrieved employee, the employee's immediate superior, the school principal or any staff member or Administrator below the Superintendent of Schools who may be affected by the determination of the Superintendent in connection with the procedure herein established.

7. Arbitrable Grievance. The only grievances which may be arbitrated are those grievances alleging that there has been a violation of the express written terms of this Agreement.

B. Purpose.

1. It is expressly agreed between the parties hereto that grievances may be processed either by the employee who has been aggrieved or by the Association.

2. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may, from time to time, arise affecting Department Supervisors, Administrators and the Board of Education.

3. Nothing herein contained shall be construed as limiting the right of any Department Supervisor having a grievance to discuss the matter informally with the appropriate member of the administration, and having the grievance adjusted without the intervention of the Association, provided the adjustment is not inconsistent with the terms of this Agreement and that the Association has been given notice of such adjustment.

C. Procedure.

1. The number of days indicated at each level of this procedure shall be considered as maximum limitations and such time limitation may only be extended by mutual agreement between the parties involved.

2. An aggrieved employee shall institute action under the provisions hereof within twenty (20) school days of the occurrence of the grievance. Failure to act within said twenty (20) day period shall be deemed to constitute an abandonment of the grievance.

3. An aggrieved party may, at his election, first discuss the grievance informally with his principal or immediate superior, or discuss such grievance with his principal or immediate superior through the Association's designated representative with the objective of resolving the matter informally. During such period of informal discussion of the grievance, the twenty (20) school-day period for the filing of grievances shall be tolled. However, the tolling of such twenty (20) school-day period shall cease, and said period shall continue to run, at such time as informal discussions have terminated. For the purpose of this paragraph, such informal discussions shall be deemed to have been terminated if no informal discussions occur for a period of two (2) consecutive days.

4. Whenever the employee appears with a representative, the Board shall have the right to designate a representative to participate at any stage of the grievance procedure.

5. An employee shall first discuss his grievance orally with his immediate superior (Supervisor or principal). Where the immediate superior is below the position of principal, the principal shall be notified and shall have the right to be present at and to participate in said hearing. A decision shall be rendered within five (5) school days of said hearing.

6. If the grievance is not resolved to the employee's satisfaction at the level referred to above, such employee may submit such grievance to the Superintendent of Schools or his designee within five (5) school days from the date of the determination at the level referred to above. Such grievance must be submitted to the Superintendent of Schools or his designee in writing specifying:

- a) The nature of the grievance specifying the terms or provisions of the Agreement which have allegedly been violated and which are the subject of the grievance;
- b) The results of the previous discussion;
- c) The basis of his dissatisfaction with the determination.

7. A copy of the writing called for in Paragraph 6 above shall be furnished by the aggrieved employee to the school principal and to the immediate superior of the aggrieved employee.

8. Within ten (10) school days from the receipt of the written grievance, the Superintendent of Schools or his designee shall hold a hearing at which all parties in interest shall have the right to be heard.

9. Within ten (10) school days of said hearing, the Superintendent of Schools or his designee shall, in writing, advise the employee and his representative, if there be one, of his determination and shall forward a copy of said determination to the school principal and to the immediate superior of the aggrieved employee.

10. If any party is not satisfied with the disposition of the grievance at the Superintendent's level, or if no decision has been rendered within fifteen (15) school days after reaching the Superintendent of Schools, such party may request a hearing of the Board. Such request shall be in writing, setting forth the reasons and shall be transmitted within fifteen (15) school days from the date of the decision of the Superintendent of Schools or his designee to the Superintendent of Schools who shall attach related papers, including copies of those requested by such party, and forward the request to the Board. The Board, or a Committee thereof, shall hear the grievance within twenty (20) school days. The Board will make arrangements for a meeting with all parties in interest to hear the matter. The Board shall render a written decision within twenty (20) school days from the date of the close of the hearing, setting forth reasons for its decision. Copies of such decision shall be transmitted to the aggrieved party and the Association, within five (5) school days from the date the decision was rendered by the Board. The decision of the Board shall be final, nonappealable, binding and conclusive on all parties, except as otherwise herein expressly set forth in Paragraph 11 of this ARTICLE.

11. In the event the grievance alleges that there has been a violation of the express written terms of this Agreement and the Department Supervisor is dissatisfied with the determination of the Board as provided in Paragraph 10 above, he may request that the Association pursue arbitration according to the rules and regulations established by the American Arbitration Association.

The authority of any arbitrator shall be limited solely to the interpretation of the Agreement, and he shall have no authority to add to, subtract from, or modify any of the said provisions.

The only grievances which may be arbitrated are those alleging that there has been a violation of the express written terms of this Agreement.

The arbitrator shall have no authority to rule on grievances which concern the interpretation, application or alleged violation of Board policies and administrative decisions, affecting terms and conditions of employment, or of statutes and regulations setting terms and conditions of employment.

In rendering his decision, the Arbitrator may take into consideration arguments of past practice only as they relate to the particular grievance under consideration, provided however that the issue of past practice shall be confined to the grievance under consideration and shall not include any matters involved with educational policy decisions. In rendering his decision, the Arbitrator shall be bound by the laws of the State of New Jersey and the United States, decisions of the Courts of New Jersey and of the United States, and rulings and decisions of the Commissioner of Education and the State Board of Education.

The decision of the Arbitrator shall be binding upon the parties.

12. A request for arbitration shall be made no later than twenty (20) calendar days following the determination at the prior step. Failure to file within the said time shall constitute a bar to such arbitration unless the Association and the Board shall mutually agree upon a longer period of time within which to assert such a demand.

13. In the event of arbitration, the costs of the arbitrator's services shall be borne equally by the Board and the Association. All other expenses incurred, including but not limited to the presentation of witnesses, shall be paid by the party incurring same.

14. All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives as heretofore referred to in this ARTICLE.

ARTICLE VII

A. The Association agrees that during the term of this Agreement, neither the Association nor any person acting on its behalf will cause, authorize or support any strike or any other job action, or the invocation of sanctions against the Board. ARTICLE XVI

SICK LEAVE

Whenever the word "teacher(s)" appears in this ARTICLE, except in paragraph 3(a), the same is hereby amended to read "Department Supervisor(s)".

The words "Exhibit A, page 36" in paragraph 4 of this ARTICLE, is hereby amended to read "Exhibit D".

The words "Exhibit B, page 26" in paragraph 5 of this ARTICLE, is hereby amended to read "Exhibit D".

1. Teachers shall be allowed sick leave with full pay for ten school days in each school year. Any unused allowance shall be accumulated. The Board of Education may require a physician's certificate to be filed with the Secretary of the Board in case of sick leave claimed.
2. Teachers are also granted the following additional sick leave allowance:

Sick leave allowance shall be extended beyond accumulated sick leave to provide for employees over the extended portion of said sick leave (meaning, the portion that is beyond the accumulated sick leave days) regular salary less the \$25* daily pay of substitute (with this \$25 amount pro-rated for part time personnel) for all teachers (regardless of whether a substitute is employed), under conditions of extended absence for illness or injury as approved by the Board of Education medical director, with the number of school days in a continuous absence thus to be covered by the difference in pay to depend upon the number of school days of teacher's accumulated sick leave at the onset of this absence for illness or injury according to the following table:

<u>Days Accumulated</u>	<u>Additional Days</u>
1 - 30	Two days for each day listed in the column to the left.
31 or more	Two days for each day listed in the column to the left except that the maximum will be 65.

*This \$25 daily rate for substitute service for the school year 1974-1975, and for each subsequent school year, shall be used in the said calculation for the said school year regardless of whether no substitute was employed, or the employed substitute was compensated at a rate in excess of \$25 daily (as is sometimes the case for long-term substitutes who are paid per the regular teachers' salary guide). This \$25 figure is increased to \$28 after the fifth day of continuous service in the same position.

3. The following additional sick leave benefits are operative for teachers at the time of their retirement, thus in effect establishing for teachers a terminal leave provision:

- (a) Benefits will apply to employees who retire under full-formula benefits as prescribed by the N.J. State Teachers Pension and Annuity Fund or the N.J. State Employees' Retirement System.
- (b) These benefits shall provide compensation during said terminal leave at the rate of the annual salary applicable as of the time of retirement, with the extent of this salary payment to be 1/2 of the number of days credited cumulative sick leave as of the time of retirement, except that not more than 100 days totally of this payment within the terminal leave period shall be allowed.
- (c) The said salary payment within the period of terminal leave shall be calculated on the basis of 1/20 of the employee's monthly salary rate at the time of retirement as the determinant of the rate of compensation which shall be paid within the said leave period for each day of said terminal leave.
- (d) In administering this benefit it is expected that the terminal leave period will commence at the close of a regular school year.

4. Any teacher wishing to exercise the foregoing sick leave provision of paragraph No. 2 above should complete in triplicate copies the following "Employee's Statement" section of this form, Exhibit A, Page 36. The Teacher should then retain the third copy, and mail to the Medical Director of the Fort Lee Board of Education, the first and second copies of this form together with the covering note** of justification from the teacher's personal doctor and also a stamped envelope self-addressed to the teacher.

**Note necessary only when more than 5 days of extended leave is requested. Doctor's note must contain the doctor's diagnosis of the teacher's appertaining illness or injury.

The teacher may expect the Medical Director to mail back to the teacher the original copy (first) of this form signifying the action taken by the Medical Director. The teacher should then send this completed form to the Secretary of the Fort Lee Board of Education.

5. The report form titled Employee's Report of Reason for Absence, Exhibit B, Page 26, shall be completed in duplicate with a pen and submitted to the teacher's immediate supervisor not later than the first day upon which the teacher returns to work following any day of absence for any reason.

Whenever the sick-leave absence of any teacher of the Board of Education shall have passed ten consecutive working days, said teacher shall submit to the Secretary of the Board of Education by the fifteenth consecutive working day, whether or not said employee shall have returned to work by said fifteenth day, starting the counting of said fifteen days with the initial day within said absence period, a certificate from a physician, engaged by said teacher, delineating (1) the physician's diagnosis of the involved illness or injury, and (2) the physician's prognosis of the anticipated date for said teacher's capacity for return to his regular employment with the Board of Education. Said prognosis should stipulate any indicated need for part-time, with extent thereof, rather than full-time work in said employment, and any indicated need for physical or other limitations of activity in said employment, with the appertaining period of time for which said limitation or limitations should apply.

The Secretary of the Board of Education shall forthwith present a copy of said medical certificate to the members of the Fort Lee Board of Education and to the Superintendent of Schools (the latter, however, not to be thus involved with employees in the office of Secretary of the Board of Education.)

- (2) Death, critical illness, injury to or an emergency in a member of his immediate family (father, mother, brother, sister, husband, wife or child), or his in-laws (father-in-law, mother-in-law, brother-in-law, sister-in-law), a teacher's grandparents and teacher's spouse's grandparents, plus members of a teacher's immediate household.

The employee may be required to submit to the Board of Education, through the Superintendent of Schools, a statement of the necessity for his absence. In case the employee claims illness of a relative, the employee may be required to furnish the name and address of the attending doctor and grant the Board permission to investigate the case. The Board reserves for itself the right to pass judgment upon the validity of any emergency leave claim and to direct appropriate salary deductions in the event that more than five days absence in any one year is imperative.

B. PERSONAL LEAVE

Written application to the teacher's Principal or other immediate superior for such personal leave shall be made at least three (3) days before taking such leave, whenever possible. 2. The report form titled Employee's Report of Reason for Absence, Exhibit B, Page 27 shall be completed in duplicate with a pen and submitted to the teacher's immediate superior not later than the first day upon which the teacher returns to work, following any day of absence for any reason.

3. No teacher employed by the Board of Education shall remain absent from said teacher's work over more than ten consecutive working days for any purpose other than said teacher's personal illness or injury except as such teacher seeks and receives advance approval from the Board of Education, through the Superintendent of Schools to cover said absence in excess of said ten consecutive working days, with the allowed deviation as stipulated in the following statement. The Superintendent of Schools is empowered to extend such span of absence beyond said ten-day period, up to the next date on which the Board of Education will meet.

ARTICLE XVIII

EXTENDED LEAVES OF ABSENCE

Wherever the word "teacher(s)" appears in this ARTICLE, the same is hereby amended to read "Department Supervisor".

The words "Exhibit B, page 26" in paragraph 3 of this ARTICLE is hereby amended to read "Exhibit E".

1. Additional sick leave allowance as set forth in Article XIX sick leave paragraph No. 2.

2. The following maternity leave provisions:

All pregnant teachers may apply for a leave of absence without pay. Upon request, such leave shall be granted prior to the anticipated date of birth and continue for a reasonable period of time to a specific date following birth.

1. Maternity leave shall be granted subject to the following conditions:

- a. A teacher shall notify the Superintendent of her pregnancy as soon as it is medically confirmed.
- b. A request for maternity leave shall include a statement from a physician confirming the pregnancy and anticipated date of birth.
- c. Exact dates of the leave will be arranged, if possible, to coincide with changes in semesters. Where medically contra-indicated, the parties shall arrange other leave dates in consideration of both medical evidence and administrative feasibility.
- d. A statement from a physician certifying that the teacher is physically able to return to duty shall be furnished to the Board before a teacher is permitted to return from maternity leave.

2. A teacher's return date to employment shall be extended for a reasonable period of time at her request for reasons associated with pregnancy, birth or other related cause. If the requested extension of return date is for other than the beginning of a semester, the parties may adjust the date in consideration of both medical evidence and administrative feasibility.

3. The leave of absence granted a non-tenured teacher hereunder may not be extended beyond the end of the contract school year in which the leave is obtained.

4. Except as provided above, no teacher shall be barred from returning to duty after the birth of her child solely on the ground that there has not been a time lapse between the birth and her desired date of return. However, on or before March 1 of the school year in which the teacher desires to return from said maternity leave, the teacher shall indicate to the Board, in writing, that she intends to return to teaching the following September. Failure to so notify the Board will be deemed to be a waiver by the teacher of her right to return from maternity leave that year.

5. The time spent on maternity leave shall not count toward fulfillment of the time requirements for acquiring tenure, nor shall it count toward placement on the salary guide or for seniority.
6. No teacher shall be removed from her teaching duties during pregnancy, except upon one of the following:
 - a. The Board has found her teaching performance has substantially declined from the time immediately prior to her pregnancy.
 - b. Her physical condition or capacity is such that her health would be impaired if she were to continue teaching, and which physical capacity shall be deemed to exist if:
 - (1) The pregnant teacher fails to produce a certification from her physician that she is medically able to continue teaching, or
 - (2) The Board's physician and the teacher's physician agree that she can not continue teaching, or
 - (3) Following any difference of medical opinion between the Board's physician and the teacher's physician, a physician selected jointly by the Board and the teacher shall render a binding opinion on the physical capacity to continue teaching. The expense of any examination by an impartial third physician under this paragraph shall be shared equally by the teacher and the Board.
 - c. Any other just cause.
3. The report form S-29, titled Employee's Report of Reason for Absence, Exhibit B, Page 26, shall be completed in duplicate with a pen and submitted to the teacher's immediate superior not later than the first day upon which the teacher returns to work, following any day of absence for any reason.
